Will he depict it as a form of violence, a violence that will entrap peaceful human beings in atrocious events. W Kimble.

This is a super cool non-fiction book, a little bit like a small version of the Guinness Book of Records. I produced iterations of the elk-like creature to visualise our discussion about its behaviour - a slow-moving creature that has travertine build-up because of the time it spends resting in the hot pools.

And when the crossfire comes, anyone standing in the middle won't stand a chance against the bugs.
