This means you know each and every person individually in that group. It is similar to 'Flowers from the Storm' by Laura Kinsale in that the Hero is struck down by something that makes everyone believe he has become an imbecile. Works for all commercial technical services from electrical contractors, network installers, security installers, computer integrators, and many. Even so, those of us who shy away from Loeb's strong conclusions should strive to fit our weaker conclusions to the interesting data he discovers.
