The Earthquake Prophet: And Other Stories

It was God that inflicted a life without his presence the supposed cause of death, natural death of course as everything more is from diseases of his creation.

Haunted Lives

I yearn for scientific versions of political journalists of the calibre of Jeremy Paxman, James Naughtie or John Humphreys who could take on scientists on their own terms, rather than letting them drop their pearls of wisdom and wander off unchallenged. She was most of the time too mature.

Edward E Beals: The Law of Financial Success

Claim-makers provide Statistical figures such as frequencies of crimes by rainichi foreign nationals and crime per capita among rainichi foreign nationals as scientific evidence of their claims.
