Cognitive Psychology and Cognitive Neuroscience

May these worthy Americans, who have preferred to see their wives ill-used, their children killed, their houses destroyed, their fields laid waste, their cities burned, and themselves shed their blood and die, rather than lose the smallest part of their freedom, may they forestall the enormous increase and the unequal distribution of wealth, luxury, indolence, the corruption of morals, and see to the maintenance of their freedom and the preservation of their government. Not very nice.
